Testimonials

Many students are looking for advanced workshops to complement their current systems. They want more power, simplicity, maybe something really different, and good manuals. Integrated Healing delivers on all levels. I highly recommend IH to students who are open to new ideas and want to access and clear deep issues for their clients.
Philip Rafferty, Founder of Kinergetics and RESET – Australia

I feel I now have that 'missing something' I've been searching for. IH is a profound healing system. The simplicity is the gift. The power and the majesty of mastering this simplicity lights the path for the future of healing! Your Integrated Healing system has transformed my clinical work! The IH protocols are the foundation of my clinical work, even though I've had many years of training and gathering other tools.

Huge CONGRATULATIONS on the great results of your work.

Lee-Anne MacLeod, Chairperson Aus Kin Assoc & Brain Gym Edu-K Network – Australia

Integrated Healing re-ignited my passion for kinesiology.

Christabelle Merrilees – Australia

Liberating! Refreshing! Simple, yet so extremely powerful and life changing.

Mathilda is such a beautiful and passionate teacher and healer. She glows with integrity and love, as does Integrated Healing.

Shirley Herman – Australia

The simplicity that accompanied such immense power!! Mathilda is an angel and IH is from God. Learning IH was like meditating and knowing it was part of me.

John Murphy – Australia

Fantastic course! Very Empowering! I love the way you share so much and give so many of your tools without being 'precious' about it.

Kari Hoskin – Australia

IH feels like 'home'. Shifts happen so quickly and profoundly. One feels so 'at peace' after the balances. The course is an enormous wealth of information. I really appreciate how working in the hologram speeds up the balances while catching all that's appropriate for the client at that time. Thank you so much for getting this out to the world.
Wendy Humphreys Tebbutt – Canada

I feel so overwhelmed with appreciation. IH is just what I was looking for. It is in-line with all my beliefs and theories – I just can't believe someone walked in and explained everything to me. IH was divinely inspired.

Caroline O'Sullivan – UK

The simplicity of the technique was wonderful. It provides the impetus to use it, but the simplicity in no way affects the enormous impact of the balances achieved.

Vidyut Ghandi – Singapore

My other healing modalities can now be used as a compliment to IH, which will form the basis of my healing treatment.

Silvana Brown – Hong Kong

IH will transform my work, as I seem to be getting clients with deep-rooted issues.
